#LEMONSRALLY: Rocky Mountain Breakdown 2022 (#RockyMtnBreakdown)

SAFETY FIRST

- **Read the whole Route Book right now—it's short!**
- **PLEASE SEE PAGE 3 FOR COVID NOTICES/RULES.**
- Obey all laws and traffic directions.
- Don't speed--this isn't a race!
- Everyone on the Rally must sign the waiver.
- We're on our own here: Help each other out.
- Keep at least one gallon of water per person per day in your car.
- Keep blankets, weather gear, and at least 24 hours food per person per day in car.
- Check the Lemons Rally Instagram feed often for updates and important info.
- Fuel up when you can--some stretches have bupkis for gas.
- **THERE'S NO SWEEP CAR OR SAGGIN' WAGON.**
- **ABSOLUTELY NO INTOXICANTS UNTIL PARKED FOR THE NIGHT.**

LONG ROUTES & CHANGEABLE WEATHER

- These are long daily routes; take shortcuts and sleep breaks as needed.
- If you don't feel comfortable or safe with the weather or road conditions, don't do it. There's no reward for overextending yourself or your car.
- Run with a group—you'll have more fun and are less likely to be eaten by bears.
- Told to jump in the snow, sleep in a desert, etc? Use smart judgement—*it ain't mandatory*.

CHECKPOINTS AND INFO VIA LEMONS RALLY INSTAGRAM

- Read the separate *Lemons Rally Instagram Guide* now: All scoring, plus important rally and safety updates, occurs via Instagram.
- For the rallymaster to score your checkpoint, use ***your team's hashtag, #LemonsRally, and the checkpoint's hashtag*** on each post. *Post pics of your car when you can;* ***you will score more points when you include your car in checkpoint photos.***
- You can't physically hit every checkpoint—it's your job to pick and choose wisely.

WHAT TO BRING

- A camera or phone that can post digital photos to prove that you've been to a checkpoint.
- Maps, Thomas Guides, GPS, and any other nav aids you want.
- A CB radio and/or the Zello Walkie-Talkie app.
- Repair tools, foul-weather gear, spare parts, and first-aid supplies.
- Plenty of water, food, and blankets.

STARTING & FINISHING EACH DAY

- Unless Lemons says otherwise, we won't hold any morning meetings.
- Want to save yourself lots of heartburn? Gas up the night before.
- **Because of the long daily routes, no points are gained or lost for making it to the end of the day. Reach the nightly end point if you can; hole up anyplace else if you can't.**

SOME NOTES ON RALLYING DURING COVID-19

- **Any and all symptomatic or high-risk entrants must stay home. You are responsible for owning up to, and acting on, your own health condition and risk factors.**
- Face coverings (to keep your own cootie-filled spit goobers in, not to keep the virus out) should be worn in any public area. In short: **When you get out of your crapcan, wear a mask.**
- Maintain social distancing of at least 6 feet should in any public area.
- Please respect the locals at checkpoints and along the route. Wear face coverings, maintain social distance, and don't be a douche, in general.
- Your immediate social group should be comprised of those in your vehicle.
- Keep yourself informed and updated on Colorado, New Mexico, Arizona and Utah COVID policies.
    - **Colorado:** https://covid19.colorado.gov/
    - **New Mexico:** https://cv.nmhealth.org/
    - **Arizona:** https://www.azdhs.gov/
    - **Utah:** https://health.utah.gov/

- **Navajo Nation:** Some of the route will traverse the Navajo Nation. Please note the Navajo are still following strict COVID-19 protocols and ***Lemons Rally is not to enter Navajo land***. State highways are technically state land so do not deviate from state highways. See further info on Navajo COVID-19 policies here\: https://www.ndoh.navajo-nsn.gov/COVID-19/.

Probably Eric's fault.

Maybe draw something here. Could be worth points?

HOW TO SCORE (IN LEMONS RALLY)

To score points for rally checkpoints, you'll need a smart phone with Instagram installed and an Instagram account. You can use your existing account or start a new one. Just let us know at registration (or sooner) which one (and only one) you'll be using. Starting in 2020, you'll no longer need a mascot. The checkpoints should be laid out that your car can be in frame unless otherwise noted in the Route Book.

HOW TO POST RALLY CHECKPOINTS TO INSTAGRAM

1. Take a photo or a short video with your smartphone of the car at the checkpoint.

2. . Open the Instagram app and tap the "+" button.

3. Select the photo or video you just shot, then click "Next." You can select filters at the next screen if you want to look artistic or something. Click "Next" on the filters screen.

4. After this, you can add text. Tap the text box and type anything you want here—ideally something witty—but the text must include the hashtags #LemonsRally, the hashtag for the rally (at the top of each page of the Route Book), and the hashtag for that checkpoint in the Rally Book. You can add any other hashtags you want after that. When you're done, tap "OK" and then "Share."

HOW TO MAKE A MULTIPLE-PHOTO POST IN INSTAGRAM

Follow steps 1, 2, and 3 above. To make a multiple photo post, once you've selected the first photo, tap the lower-right icon and then select up to 10 photos. Then follow steps 4 and 5 above.

FOR CRAP'S SAKE, WHAT IS A HASHTAG?

A hash tag is simply the pound sign (#) followed by a keyword that can be searched in Instagram. For example: #LemonsRally will let us and others (It could be you!) search for Lemons Rally posts. For this rally, each of your posts will have three to four hashtags:

(1) #LemonsRally – Tag every post so anyone can see your poor decisions in real time!

(2) #[CheckpointName] – Every checkpoint in the rally book will have a hashtag.

(3) #[RallyName] – Will be at the top of each page of the Route Book.

(3) Optional tags like #HooptieScenes for stuff not in the Route Book or #YourCar if you want, for example, Renault Alliance groups to know you're rallying their precious vehicle.

DOESN'T THAT MAKE A LOT OF HASHTAGS?

It would, but Instagram will save oft-used hashtags for easy retrieval. So when you start typing #LemonsRally, Instagram should suggest it after you type the "L-e" by the second time. You can also make a notes file on your phone from which to copy/paste.
